

APhA-ASP Patient Counseling Competition Evaluation Form—Preliminary Round

Participant Name: _____

Videotape Counter Reading: _____

Directions: After viewing the videotape of each participant, indicate your rating of the participant's communication skills and professional competence. For each category, rate the participant between 0 (not done) and 10 (superior). A rating of 5 indicates an average score. You may use decimals when making your final rating. The scale at the bottom of this form reflects the general levels of performance.

Rating
