Washington, DC – The Alabama Pharmacy Association (APA) has selected David Stephen Darby as the recipient of the 2011 Bowl of Hygeia Award for outstanding community service. Darby was presented with the award during the 2011 APA Annual Convention & Trade Show, June 19-22, 2011. The Award is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations.

Darby is active with the Andalusia Chamber of Commerce Board of Directors and the Andalusia Downtown Redevelopment Committee. He has served on the Lurleen B. Wallace Community College Foundation Board of Directors, the Covington County Democratic Party Board of Directors and as the Covington County Auburn Club President. He has served as the Andalusia Rotary Club President, Secretary, on the Board of Directors and as the Andalusia Rotary Club Foundation President. He has been the Andalusia High School Booster Club President. Darby has been East Three Notch School PTO President and youth coach of the Andalusia Recreation Department 1996 – 2008 and the Andalusia Country Club President.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or info@aphafoundation.org.
