**California Pharmacist, R. Pete Vanderveen, Honored for Outstanding Community Service**

**Washington, DC** – The California Pharmacists Association (CPhA) has selected R. Pete Vanderveen as the recipient of the 2011 Bowl of Hygeia Award for outstanding community service. The Award is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations.

Vanderveen, of Pasadena, Calif, has received several other honors including the Pharmacists of the Year award and a certificate of appreciation for Outstanding Teaching and Leadership from the Michigan Society of Hospital Pharmacists, the Distinguished Alumnus Award from Perdue University School of Pharmacy, and the Distinguished Visiting Professor award from Poland, China and Japan. He is currently active in several organizations including AAPS, AAS, AACP, ACCP, AMCP, APhA, ASHP, CPhA, FIP and CPNP.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or [info@aphafoundation.org](mailto:info@aphafoundation.org).
