East Hartford, Connecticut Pharmacist, Harry A. Egazarian, Honored for Outstanding Community Service

Washington, DC – The Connecticut Pharmacists Association (CPA) has selected Harry A. Egazarian as the recipient of the 2011 Bowl of Hygeia Award for outstanding community service. Egazarian was presented with the award during the New England Pharmacists Convention September 15-16, 2011. The Award is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations.

Egazarian served as a member of the Democratic Town Committee, served on the Town Charter revision in 1965 and was also elected to the town council, where he eventually served for 15-years. He has been a long-time member of the Connecticut Pharmacists Association and many pharmacists began their careers working with Egazarian. He was always willing to open the pharmacy at all hours of the night (in the days before 24-hour pharmacies) to provide antibiotics to the parents of sick-children. Egazarian has often been an unsung hero in pharmacy, getting the job done and taking care of those in the community.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or info@aphafoundation.org.
