**Silverton, Idaho Pharmacist Ronald Dale Lavigne, Honored for Outstanding Community Service**

**Washington, DC** – The Idaho State Pharmacy Association (ISPA) has selected Ronald Dale Lavigne as the recipient of the 2011 Bowl of Hygeia Award for outstanding community service. Lavigne was presented with the award during the 2011 Northwest Pharmacy Convention, June 2-5, 2011. The Award is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations.

Lavigne is active in many community and volunteer activities. He brought basketball tournaments to the community, achieving a solution where the proceeds of the tournaments would support community youth activities. At the request of the School officials, he worked on a committee to consider the possibility of consolidating three school districts in Shoshone County. Even though he did not serve as a member of its Board, he volunteered a lot of time trying to keep the East Shoshone Hospital. He auctioneered for many civic and political fundraisers and served as the Master of Ceremonies for the local Elks Queen Pageant. Lavigne has been active in the Wallace Civic Memorial Auditorium Association and was the organizer for the Ducks Unlimited banquets for several years.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or [info@aphafoundation.org](mailto:info@aphafoundation.org).
