**Chicago, Illinois Pharmacist Sabah Hussein, Honored for Outstanding Community Service**

**Washington, DC** – The Illinois Pharmacists Association (IPhA) has selected Sabah Hussein as the recipient of the 2011 Bowl of Hygeia Award for outstanding community service. Hussein was presented with the award during the Illinois Pharmacists Annual Convention September 22-25, 2011. The Award is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations.

Hussein worked with the Midwestern University Chicago College of Pharmacy Collaborative Health Advocate Team and volunteered at The University of Illinois at Chicago College of Pharmacy with the Medication Monitoring and Safety in Older Adults Program. He helped with the Chicago Department of Public Health Chicago Area Immunization Campaign and the Black Barbershop Project. Hussein volunteered with the Respiratory Health Association of Metropolitan Chicago “Hustle up the Hancock” and the Ford Motor Stamping Plant “Operation Heart.” He volunteered with the Chicago Urban League’s Health Fair, the Pancreatic Cancer Action Network “Purple Stride Chicago,” and the American Indian Center of Chicago. He worked at the University of Illinois at Chicago Hospital and the John Stroger Hospital volunteering with Spanish Interpreting Services.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession’s most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or [info@aphafoundation.org](mailto:info@aphafoundation.org).
