**Bangor, Maine Pharmacist Robin Brittelli, Honored for Outstanding Community Service**

**Washington, DC** – The Maine Pharmacy Association (MPA) has selected Robin Brittelli as the recipient of the 2011 Bowl of Hygeia Award for outstanding community service. Brittelli was presented with the award during the MPA Fall Conference, September 10-11, 2011. The award is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations.

Brittelli developed Maine's first 340B pharmacy located within a Federally Qualified Health Center. She is a Charter Member of the Dean's Advisory Board of the Husson University School of Pharmacy and is Secretary of the Experiential Education Advisory Board. She is a member of the Policy and Procedures Sub-committee for the Visiting Nurses Association. Brittelli is also a member of the American Pharmacists Association, a member of the American Society of Health-Systems Pharmacists and a member of the National Home Infusion Association.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or [info@aphafoundation.org](mailto:info@aphafoundation.org).
