Ridgeland, Mississippi Pharmacist, Sharon R. Dickey, Honored for Outstanding Community Service

Washington, DC –The Mississippi Pharmacists Association (MPhA) has selected Sharon R. Dickey as the recipient of the 2011 Bowl of Hygeia Award for outstanding community service. Sharon R. Dickey was presented with the award during the MPhA 2011 Annual Convention, June 15-18, 2011. The Award is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations.

Dickey has volunteered as a committee member of the American Heart Association Research Luncheon, volunteered with cholesterol and glucose screening and volunteered with the American Heart Association's Heart Walk. She held a Health Fair at Belhaven College in Jackson and volunteered with the Women's Health Seminar. This recipient has earned the Pfizer- Roerig Hospital Pharmacist of the Year Award, the Distinguished Young Pharmacist in Mississippi award, the Kappa Epsilon Service Award, the Award for Superior Achievement in Clinical Pharmacy and the UpJohn Achievement Award.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or info@aphafoundation.org.
