Carson City, Nevada Pharmacist, Katie K. Johnson, Honored for Outstanding Community Service

Washington, DC – The Nevada Pharmacists Association has selected Katie K. Johnson as the recipient of the 2011 Bowl of Hygeia Award for outstanding community service. Ma was presented with the award during the Nevada Pharmacists Association Annual Meeting, October 14, 2011. The Award is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations.

Johnson works closely with the Board of Pharmacy in providing training for pharmacists and pharmacy technicians with constructive organizational suggestions to pharmacies as well as organizing and presenting CE programs on safety in pharmacy. Johnson is a volunteer with St. Mary's Hospice and Relay for Life. She is a member of a local alternative bluegrass band, Hick'ry Switch, which donates time & talent to fundraising events including the Carson City Library; the American Cancer Society; Memorial Fund Raising at St. Ann's Church, the FISH Clinic, nursing homes and assisted living facilities, the Carson City Greenhouse Project and Bike to Work.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or info@aphafoundation.org.
