**Yardley, Pennsylvania Pharmacist, Robert S. Schreiber, Honored for Outstanding Community Service**

**Washington, DC** – The Pennsylvania Pharmacists Association (PPA) has selected Robert S. Schreiber as the recipient of the 2011 Bowl of Hygeia Award for outstanding community service. Schreiber was presented with the award during the PPA Annual Conference September 22 - 25, 2011. The Award is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations.

Schreiber has been a member of the Pennsylvania Pharmacists Association since 1975 and has served as Chairman of the Third Party Committee and Chairman of the Academy of Community Pharmacists. He is a member of the National Community Pharmacists Association and the Bucks County Pharmacists Association – serving as president and vice president. Schreiber served as Chairman of the Board for the PARD Association of Community Pharmacists in Philadelphia and testified before the Pennsylvania House and Senate Committees, which have protected the interests of pharmacy.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or [info@aphafoundation.org](mailto:info@aphafoundation.org).
