

## Know Before You Go *Student Pharmacist Edition*

Elise,

We look forward to seeing you in Phoenix in just a few weeks! To help you prepare, we have put together some resources, need to knows, and top tips to elevate your APhA2023 experience.

### **Download the APhA2023 App!**

The APhA2023 app is now live! With the annual meeting right around the corner, the app will be your go-to resource for everything at APhA2023. Watch our APhA2023 App Guide for download instructions and to get an overview of the app's features and tools.

### **APhA2023 Student Pharmacist Programming – RSVP today!**

APhA-ASP programming is your chance to learn, network, and celebrate the accomplishments of your peers! From Career Sessions to Chapter Officer Workshops to the APhA-ASP House of Delegates and Opening Session, the weekend is jam-packed with unique student pharmacist specific opportunities curated just for you. To build out your schedule, complete the APhA2023 Student Pharmacist RSVP.

### **APhA2023 Know Before You Go Video**

To expand on this email and cover more tips and tricks, check out our APhA2023 Students Pharmacists Know Before You Go video where APhA-ASP National President, Kennedy Erickson, and Chair of the Policy Standing Committee, Liz Rayes, dive into the important need-to-know information for making the most of your APhA2023 experience.

## What to Wear

Friday	Business Casual + School Spirit	Region	Color	Region	Color
Saturday	Business Casual + Region Color	1	Baby Blue	5	Yellow
Sunday	Business Casual	2	Green	6	Dark Blue
		3	Orange	7	Purple
		4	Red	8	White

Attire during the meeting is business casual with a few themed days. Meeting rooms tend to run cold, so be sure to bring a jacket or sweater. Additionally, events for student pharmacists will be held in both the Sheraton and Convention Center. While the walk is not far, we encourage you to have comfortable walking shoes for going between locations (your feet will thank you!).

## What to Pack

Below are a few things we recommend bringing to enhance your attendee experience:

**Business Cards** – with all the networking opportunities during APhA2023, you'll want to have your business cards on hand. You never know when a conversation could lead to a new friendship or potential job!

**Reusable Water Bottle** – Stay hydrated throughout the meeting by keeping a reusable water bottle on hand. Filling stations will be located throughout the event centers.

**Portable Charging Device** – With over 1000 student pharmacists attending, there will not be enough outlets for everyone. We encourage you to charge your devices overnight as well as bring a portable charging device to ensure your electronics make it the full day.

**Snacks** – It can sometimes be difficult to find a quick snack at the Convention Center. Be sure to pack some light food to help keep your energy levels high throughout the day. Please note, food is not provided during the sessions. While there are many restaurants near the Convention Center and Sheraton hotel, be prepared for long lines.

**Space in Your Suitcase** – The Exposition Hall is a great opportunity to meet with companies and vendors to learn about new products and technologies in the pharmacy space. Many vendors have items to hand out, so be sure to save some space in your suitcase to take all your goodies home.

On behalf of APhA-ASP staff and your APhA-ASP National Leaders, we are excited to see you in Phoenix! This is the first of three Know Before You Go emails specifically for student pharmacists, so be sure to keep an eye out for next week's communication. In the meantime, check out the Know Before You Go Video and RSVP for the APhA-ASP sessions you'll be attending.

Best,

APhA-ASP Staff
