ADDENDUM 2-A. American Pharmacists Association Nomination and Election
Procedures for Board of Trustees and Academies

ELECTIVE TERMS

Elections, by mail\(^1\) or e-mail ballot, are held each Spring for the APhA offices of the President-elect, two Trustees, and Honorary President. This same election ballot is used for APhA Academy of Pharmacy Practice & Management (APhA-APPM) and the APhA Academy of Pharmacists Research & Science (APhA-APRS) elections of President-elect and Members-at-large for each Executive Committee, and Chair-elect and other Officers of each Section.

The APhA Bylaws specifically authorizes the Executive Vice President, with the approval of the APhA Board of Trustees, to set a schedule for the nomination and election process. The APhA Bylaws also authorize the APhA Board of Trustees to establish procedures for conducting elections for Executive Committees and officers of the APhA Academies.

The Speaker-elect of the APhA House of Delegates is elected every other year by the APhA House of Delegates during the APhA Annual Meeting. The Executive Committee of the APhA Academy of Students of Pharmacy (APhA-ASP) is elected at the Final Session of the APhA-ASP House of Delegates held during the APhA Annual Meeting.

The Presidents of each of the APhA Academies serve as ex-officio voting Trustees of the APhA Board of Trustees while they are serving as Academy Presidents.

All individuals are prohibited from serving in more than one elected APhA office at the same time. Therefore, all newly elected leaders are required to resign from all other elected APhA offices prior to being installed in their new position. In addition, it is suggested that all candidates offer to resign from any APhA appointed positions. Slated candidates are notified prior to the Annual Meeting of their selection and of events at the Annual Meeting they are expected to attend. Once elected (as an Officer or Trustee), the individual must resign from any other APhA committee appointments.

Participation of Elects Prior to Installment

The President-elect designate and Trustees-elect (including the President-elects of the Academies), will come to APhA for orientation in the Fall post their election. Once the orientation with legal briefing has taken place, the Elects will begin to receive Dr. Gans’ *From the Desk Of* and any other Trustee mailings. The Elects will be invited to the January and March Board meetings as observers and preparation for their term of office. If Elects wish to attend the Board’s September or November meeting post their election, they would follow the Guest Attendance Policy (See Section One).

1. Terms of APhA Office

The terms of office for all Association officers, elected Trustees, and members of the Executive Committees and Section Officers of each Academy commence the day after the close of the APhA Annual Meeting and conclude on the last day of the APhA Annual Meeting.

\(^1\) Ballots that are sent to eligible members via U.S. mail may choose to vote by sending the paper ballot back via U.S. mail or by entering their vote via the Internet.
**APhA Presidential Officers**
The President-elect of the Association shall retain a seat on the APhA Board of Trustees for three years, first as President-elect for one year, then as President for one year, and finally, as Immediate Past President for one year.

**APhA Trustees**
Trustees on the APhA Board serve a term of three years.

**Honorary President**
The term of office for the Honorary President commences on the first day of the APhA Annual Meeting so that the Honorary President can be recognized at the beginning of the one-year term rather than at the conclusion of the term of office.

2. **Terms of APhA-APPM and APhA-APRS Office**
The term of the President-elect of each Academy commences on the first day after the close of the APhA Annual Meeting, and the President-elect succeeds to the office of President at the succeeding APhA Annual Meeting. The APhA-APPM and APhA-APRS President-elect is elected every other year and assumes the Presidency for a two-year term. The two-year terms of the Members-at-large commence on the first day after the close of the Annual Meeting on alternate years.

The terms and assumption of office of the Chair-elect, two Members-at-large and the New Practitioner Member of each Section of APhA-APPM are the same as for the Executive Committee. The Chairs-elect for the Sections of APhA-APRS serve for three-year terms as Chair-elect, Chair, and Immediate Past Section Chair. The Immediate Past Section Chairs serve on the APhA-APRS Executive Committee.

One APhA-APRS Member-at-large is elected for each Section each year for a two-year term. The one-year term of the Postgraduate Officer of each Section of APhA-APRS commences the first day after the close of the APhA Annual Meeting each year.

3. **Terms of APhA-ASP Office**
The term of office of all members of the APhA-ASP Executive Committee is one year. The officers include the President, President-elect, two Members-at-large of the APhA-ASP Executive Committee, and the Speaker of the APhA-ASP House of Delegates. The members assume office immediately upon their election at the Final Session of the APhA-ASP House of Delegates. The President-elect succeeds to the office of President upon completion of the one-year term, which runs from APhA Annual Meeting to Annual Meeting.

APhA-ASP Midyear Regional Meeting Coordinators, Regional Delegates, and Regional Members-at-large are elected at the eight APhA-ASP Regional Meetings held each Fall and serve until their successors are elected at the following APhA-ASP Midyear Regional Meetings. Student members can hold office only in the APhA Academy of Students of Pharmacy.
NOMINATING PROCEDURES

1. APhA Board of Trustees Procedure

Nominating procedures for APhA President-elect and Trustee are listed under Section 2-E of this Manual.

2. APhA-APPM and APhA-APRS Nominating Procedure

A notice appears in appropriate APhA publications inviting members who wish to be considered for President-elect and Member-at-large of the APhA-APPM and APhA-APRS Executive Committees, as well as Chair-elect, Member-at-large, New Practitioner or Post-Graduate Officer of the various APhA-APPM and APhA-APRS Sections, to submit their names to the appropriate Academy Committee on Nominations. An application is to be completed and submitted by each of the nominees. The completed nomination packets are given to the members of each Academy’s Committee on Nominations based on the candidates’ expressed interest. The Committee on Nominations then slates two candidates for each office and notifies the candidates of the slating.

3. APhA-ASP Nominating Procedure

APhA-ASP members who wish to qualify as a candidate for APhA-ASP office must submit an application for the office of President-elect or two Members-at-large of the Executive Committee, or Speaker of the APhA-ASP House of Delegates; participate in the Open Candidate Review; interview with the APhA-ASP Committee on Nominations; deliver a speech to the APhA-ASP House of Delegates; and be present at the APhA-ASP House session in which (s)he is elected, with an approval form signed by the candidate’s Dean. Candidates must remain full-time students during their entire term of office. The APhA-ASP Committee on Nominations prepares a slate for the APhA-ASP House of Delegates of two candidates for each position.

COMMITTEES ON NOMINATIONS

1. APhA Committee on Nominations

(Procedures of the Committee revised August 2005)

The APhA Committee on Nominations, which selects candidates for the offices of APhA President-elect and Trustees, consists of the most recent non-incumbent Former President (as chair), the immediate former Speaker of the APhA House of Delegates, and three other members appointed by the President, as long as those individuals have not submitted their names for nomination. The composition of this Committee is outlined in the APhA Bylaws. No individual can serve on the APhA Committee on Nominations for more than three consecutive calendar years. No member of the Committee may be a current APhA Trustee.

The APhA Committee on Nominations interacts with nominees for office and other APhA members interested in the nominations process and in discussing other issues concerning pharmacy prior to and during the APhA Annual Meeting.

The APhA Committee on Nominations typically meets at APhA headquarters (after the published deadline for nominations) to select a slate of two candidates for each elective office,
avoiding nominating any person who already holds an office in APhA or its Academies whose term would overlap with the term of the new office. The Committee will receive a guidance memo from the APhA Board to assist in evaluation candidates for needs on the APhA Board (such as expertise, practice area, demographics, etc.). This guidance memo is developed each year by the APhA Board at its November meeting. Those Trustees considering submitting their names as Board of Trustee nominees may not be present for the development of this memo. Guidance Memos are confidential and only available to the APhA Committee on Nominations. The approved Guidance Memo template is provided as Addendum 2-B at the end of this section.

The APhA Committee on Nominations holds “meet the candidate” forums at each APhA Annual Meeting for Board of Trustee and President-elect candidates. One of these forums is to be formal. The procedure for this forum is outlined under Addendum 2-C at the end of this section.

The APhA Committee on Nominations does not nominate the Honorary President. The Bylaws assign this authority to the APhA Board of Trustees, and when the Board nominates an individual for the office of Honorary President, the name of only that individual appears on the ballot.

2. APhA-APPM and APhA-APRS Committees on Nomination

*APhA Academy of Pharmaceutical Research & Science*

The APhA-APRS Committee on Nominations is comprised of the Immediate Past President of the Academy and the Immediate Past Section Chairs of each APhA-APRS Section.

*APhA Academy of Pharmacy Practice & Management*

The Committee on Nominations of the APhA Academy of Pharmacy Practice and Management will consist of the APhA-APPM President who will serve as the Chair of the Committee and the four Immediate Past Presidents of the Academy. During years when there is a President-elect of the Academy, the President-elect will serve as an Ex-officio member of the Committee.

3. APhA-ASP Committee on Nominations

The APhA-ASP President appoints the APhA-ASP Nominating Committee and its Chair, selecting one representative from each APhA-ASP Region. The immediate past APhA-ASP President serves as a non-voting ex-officio member of the APhA-ASP Nominating Committee.

**ELECTION PROCESS**

1. **APhA, APhA-APPM, and APhA-APRS Election Process (Revised August 2005)**

The candidates are notified of their nomination for office by the Office of the Executive Vice President or by their respective Academy staff liaison. The APhA Board of Trustees’ approved Nomination and Election Procedures and the Campaign Guidelines for Candidates for APhA Office is transmitted to the candidates. Each candidate is given an opportunity to revise the biographical sketch and candidate’s statement submitted at time of application. Those selected as candidates for Academy office must submit an election statement. This information must fit within established specifications. The biographical sketch and election statements, along with the candidate’s photograph, appear in the Voter’s Guide.

For candidates for the APhA Board of Trustees, one or both of the responses to the questions posed on the application form may be published in the APhA Voter’s Guide. These responses will serve as the election statement of the candidates for the APhA Board of Trustees. In addition
to the *Voter’s Guide*, candidate biosketches and “election statements” are provided at each “meet the candidate” forums held at the APhA Annual Meeting and may be published on the APhA Website and/or in APhA periodicals.

A ballot and the *APhA Voter’s Guide* are mailed (or e-mailed) to eligible voting members of the Association with the option to return the ballot via mail or to vote on-line by the published deadline. The returned ballots must be received by the date printed on them to be included in the vote tally.

2. **APhA Speaker-elect of the APhA House of Delegates Election Process**
Candidates for the office of Speaker-elect of the APhA House of Delegates are nominated by the APhA House of Delegates Committee on Nominations every other year. This Committee (a chairman and four members) is appointed by the immediate former (non-incumbent) Speaker of the APhA House. Only two candidates are nominated by the Committee, but additional nominations may be made from the floor of the APhA House. Candidates for Speaker-elect must be current delegates to the APhA House. The APhA House of Delegates Committee on Nominations presents its report, including the slate of candidates, during the First Session of the House and each candidate is given 2 minutes introduces him/herself to the Delegates. At the Second Session of the APhA House, each candidate is given 3 minutes to addresses the APhA House. The election for the office of Speaker-elect is conducted by secret ballot at the Second Session of the APhA House of Delegates.

3. **APhA-ASP Election Process**
Each nominated candidate is invited to address the APhA-ASP House of Delegates for up to four minutes before the election by secret ballot. Up to two run-off ballots are conducted if no candidate for President-elect receives a majority of votes. Should a tie occur in the second run-off, the Speaker of the House casts the deciding vote. The same procedure is followed in voting for APhA-ASP Speaker of the House. The two candidates receiving the most votes are elected Members-at-large. If there is a tie in the Member-at-large voting, one candidate is eliminated by lot and a second ballot is conducted. This procedure is repeated if there is a second tie. In case of a third tie, the Speaker of the House shall cast the deciding vote. Election results are announced at the end of voting for all offices.

**CERTIFYING THE ELECTIONS**

1. **APhA Committee of Canvassers**
The President appoints an APhA Committee of Canvassers which meets to verify the computer vote tallying program and to resolve any matters involving questionable ballots. The Committee then certifies the election results. All candidates are informed of the result by telephone. Congratulatory letters are sent to successful candidates. Letters are also sent to the unsuccessful candidates thanking them for their service to the Association by standing for election. Finally, the election results are published in appropriate APhA vehicles and as a news release.

2. **APhA House of Delegates Committee of Canvassers**
The APhA Speaker of the House appoints a Committee of Canvassers to oversee and certify the election of APhA Speaker-elect of the House of Delegates. Once the ballots are collected by APhA staff members, the Committee oversees the counting of the Ballots. The successful candidate’s name is announced to the APhA House of Delegates.
3. APhA-ASP Committee of Canvassers
Much as is done for the APhA Speaker-elect, the APhA-ASP Executive Committee appoints a Committee of Canvassers to oversee and certify the election of the APhA-ASP Executive Committee held during the Second Session of the APhA-ASP House of Delegates.

CONFLICT OF INTEREST POLICIES
Every APhA Trustee and Academy Officer who holds an elected position must abide by the Conflict of Interest Policies, developed by APhA’s General Counsel and approved by the APhA Board of Trustees, as well as complete the annual disclosure statement designed to identify potential conflicts of interest. See Section 1 of this Manual for information on the Conflict of Interest Policies and a sample Conflict of Interest Disclosure Form.

RE: 200X Selection of APhA Board of Trustees Candidates

The APhA Committee of Nominations met at APhA Headquarters on January xx, 200X, and nominated the following candidates for APhA office:

President-elect: _______________ and _______________

Trustee:

Pair 1: _______________ and _______________

Pair 2: _______________ and _______________

The APhA Committee on Nominations considered information provided in the APhA Board of Trustees’ guidance memo of <insert date> and would like to share the following information:

- **Total number of candidates**: _____
- **Number of candidates for President-elect**: _____
- **Number of candidates for Trustee**: _____
- **Practice Setting**:

  The APhA Board recommended:

  **The results:**

The APhA Committee on Nominations considered organizational experience outlined in the APhA Board of Trustees Guidance Memo and did the following:

☐ Slated candidates with the outlined organizational experience

Did not slate candidates with the outlined organizational experience because:

☐ No candidates fit the criteria

☐ Candidates who met the outlined experiential criteria were less qualified in other areas or did not meet other outlined characteristics

☐ The APhA Board outlined no preference for organizational experience
• **Areas of expertise (finance, public relations, fundraising, management, etc.)**

The APhA Board recommended:

*The results:*

(Committee to provide general description of the nominees’ areas of expertise.)

*The APhA Committee on Nominations considered area of expertise preferences from the APhA Board of Trustee Guidance Memo and did the following:*

- Slated candidates that fit the outlined areas of expertise
- Did not slate candidates with preferred expertise because:
  - No candidates fit the criteria
  - Candidates who met the requested areas of expertise criteria were less qualified in other areas or did not meet other outlined characteristics
  - The APhA Board outlined no preference for special areas of expertise

• **Other items the Board wishes the Nominations Committee to consider:**

The APhA Board recommended:

*The APhA Committee on Nominations considered additional preferences from the APhA Board of Trustees Guidance Memo and did the following:*

- Slated candidates with the outlined considerations
- Did not slate candidates with the outlined considerations because:
  - No candidates fit the criteria
  - Candidates who met the outlined criteria were less qualified in other areas or did not meet other outlined characteristics
  - The APhA Board outlined no preference for special considerations

ADDENDUM 2-C. “Meet the Candidates” Forums at Annual Meeting

AMERICAN PHARMACISTS ASSOCIATION
PROCEDURES FOR BOARD OF TRUSTEES “MEET THE CANDIDATES” FORUM
CONDUCTED AT APhA ANNUAL MEETINGS
(Revised September 2003)

The APhA Committee on Nominations conducts at least one formal “Meet the Candidates” session at the APhA Annual Meeting so that members can meet Board of Trustees candidates and learn about their thoughts on APhA and the profession. The following procedure has been established for the formal session to insure a fair and unbiased presentation by all candidates for Trustee and President-Elect.

All candidates who have been slated by the APhA Committee on Nominations will meet at the APhA House of Delegates First Session 15 minutes before it is scheduled to start. Candidates will be informed of the procedures for this formal session and other forums prior to their arrival at Annual Meeting.

“Meet the Candidates” Formal Session at the APhA Annual Meeting

The formal “Meet the Candidates” session will be held at the first APhA House of Delegates session. It will be scheduled in the House’s agenda immediately preceding the Open Mike session and prior to the adjournment of the House.

Each candidate (in alphabetical order by pair) will be called to the podium by the APhA Committee on Nominations to address the APhA House of Delegates for 2 minutes. (S)He may use this time to speak on any issue. There will be no questions asked of the Committee or of the individuals in the House.

Each candidate’s biographical sketch and election statement (answers to one or both of the questions completed on the candidate’s nomination application) will be placed at each Delegate’s seat and a quantity will be made available for the gallery in the House.

“Meet the Candidates” Informal Sessions at the APhA Annual Meeting

Up to two informal one (1) hour “meet the candidates” sessions will be scheduled during the APhA Annual Meeting. These sessions will allow members to talk to candidates individually.

Publicity for “Meet the Candidates” Sessions

A poster-type sign with each candidate’s photo, biographical sketch, and election statement will be placed at the site(s) of the sessions. These posters will also list the places and times of the “meet the candidates” sessions.

Announcements of the sessions will be published on the APhA website, in pharmacist.com focus, the Academy e-News newsletters, in Pharmacy Today, in Annual Meeting News, and during the APhA General Session at the Annual Meeting.
