

APhA-ASP INNOVATIVE PROGRAMMING AWARD

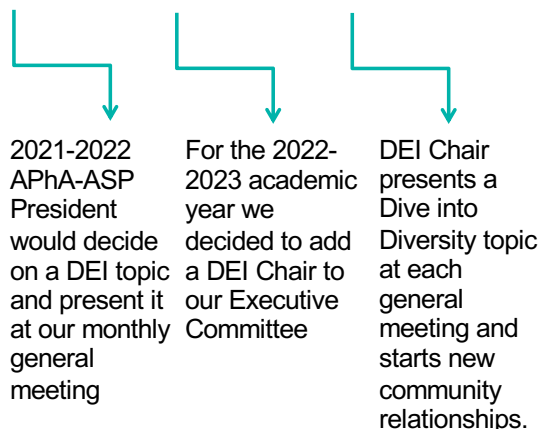

Dive Into Diversity Drake University

Description:

During the pandemic, we recognized the health disparities within underserved/diverse populations. We wanted to take the opportunity to educate our members about this issue, in which we established a Diversity, Equity, and Inclusion (DEI). Each month, our DEI chair presents a topic at our general meeting as well as diverse opportunities members can take advantage of to help serve the community. We raise awareness of the topic and discuss specific action pharmacy students can be more inclusive for all cultures and backgrounds

Methods:

Outcomes:

Started new partnerships with community organizations

Future Ideas:

Establish more of a curriculum for future DEI Chairs

Have local leaders come in and talk more about access
