Complete **Your**
Professional Puzzle
with APhA's Transitioning
Membership

"From networking and development to educational programming, APhA has provided me with valuable resources for continuous growth and learning."

— JESSICA K. MARX, PHARM D, RPH

APhA Member since 2014

APhA offers the pieces that just fit

APhA's Transitioning Membership helps you transition from final-year student to new practitioner. The timing is perfect! APhA delivers what you need to reach your next major milestones: obtaining your license and launching your career.

WHAT TO EXPECT - YEAR 1

Sign up this spring to activate these unique benefits

- **APhA NAPLEX Quick Review Guide**, a comprehensive 200-page NAPLEX study guide, created around the NABP competencies. It outlines the critical, must-know information needed to pass the NAPLEX exam. The guide includes treatment algorithms, side effects and contraindications, counseling points, equations, and more.
- **APPE Pocket Guide** includes comprehensive charts and equations needed on rotations.
- **1-Year Subscription to Pyrls**, your go-to resource on rotations featuring 500+ top drug summaries, tables and charts, clinical calculators, and reference values.
- 50% discount on **The APhA Complete Review for Pharmacy Math** book that covers key math topics and calculations needed to pass the NAPLEX.
- Access to the **NAPLEX Review Questions** in PharmacyLibrary.
- Access to the **Financial Education Bootcamp Webinar Series**, covering hot topics for students approaching graduation (loan repayment strategies, saving and investing as a new practitioner, and more).

Start your career right!

New Practitioner Network

The APhA New Practitioner Network provides programs, tools, and connections to assist you in making the transition through new practitioner life a little easier.

Develop Your Network

DAY OF NP LIFE:
Meeting designed exclusively for New Practitioners featuring networking and programming for your personal and professional development.

ENGAGE:
A member-only e-community featuring the APhA New Practitioner Network Community and Special Interest Groups (SIGs).

"APhA has consistently helped me grow personally and professionally as a practitioner."

— **DOUGLAS TAM,
PHARM.D, BCPS**
APhA Member
since 2015

"Being a member of APhA has had a profound impact on every step of my pharmacy journey."

WHAT TO EXPECT - YEAR 2

Discover Your Opportunities

LEADERSHIP OPPORTUNITIES:

Serve your peers and the pharmacy profession through the APhA New Practitioner Advisory Committee, APhA NPN Standing Committees, or a national position.

FINANCIAL EDUCATION RESOURCES:

Receive resources on student debt management solutions, refinancing options, and savings strategies to help plan for the future.

NEW PRACTITIONER MENTOR:

Mentor student pharmacists and interact with APhA-ASP Chapters to provide guidance on life after graduation.

Define Your Success

DISTINGUISHED NEW PRACTITIONER AWARD:

Get recognized for demonstrating distinctive achievements in mentorship, service, and commitment to the pharmacy profession.

PROFESSIONAL DEVELOPMENT:

Advance your career with continuing professional education programs, certification training, and exam prep.

PRACTICE RESOURCES:

Access the latest clinical guidelines, billing resources, and receive breaking legislative and regulatory updates affecting your practice.
