A large group of approximately 50 students, mostly wearing white lab coats, are posing for a group photo on a green lawn. They are arranged in several rows, with some kneeling in the front and others standing behind. In the background, the iconic white dome and classical columns of the U.S. Capitol building are visible under a clear blue sky. Lush green trees and bushes are scattered around the lawn. A dark blue banner with the text 'SLI2023' is positioned in the upper right corner of the image.
