

# Cedarville University School of Pharmacy

## 2021 Outstanding Chapter Project – APhA-ASP Women’s Health Campaign

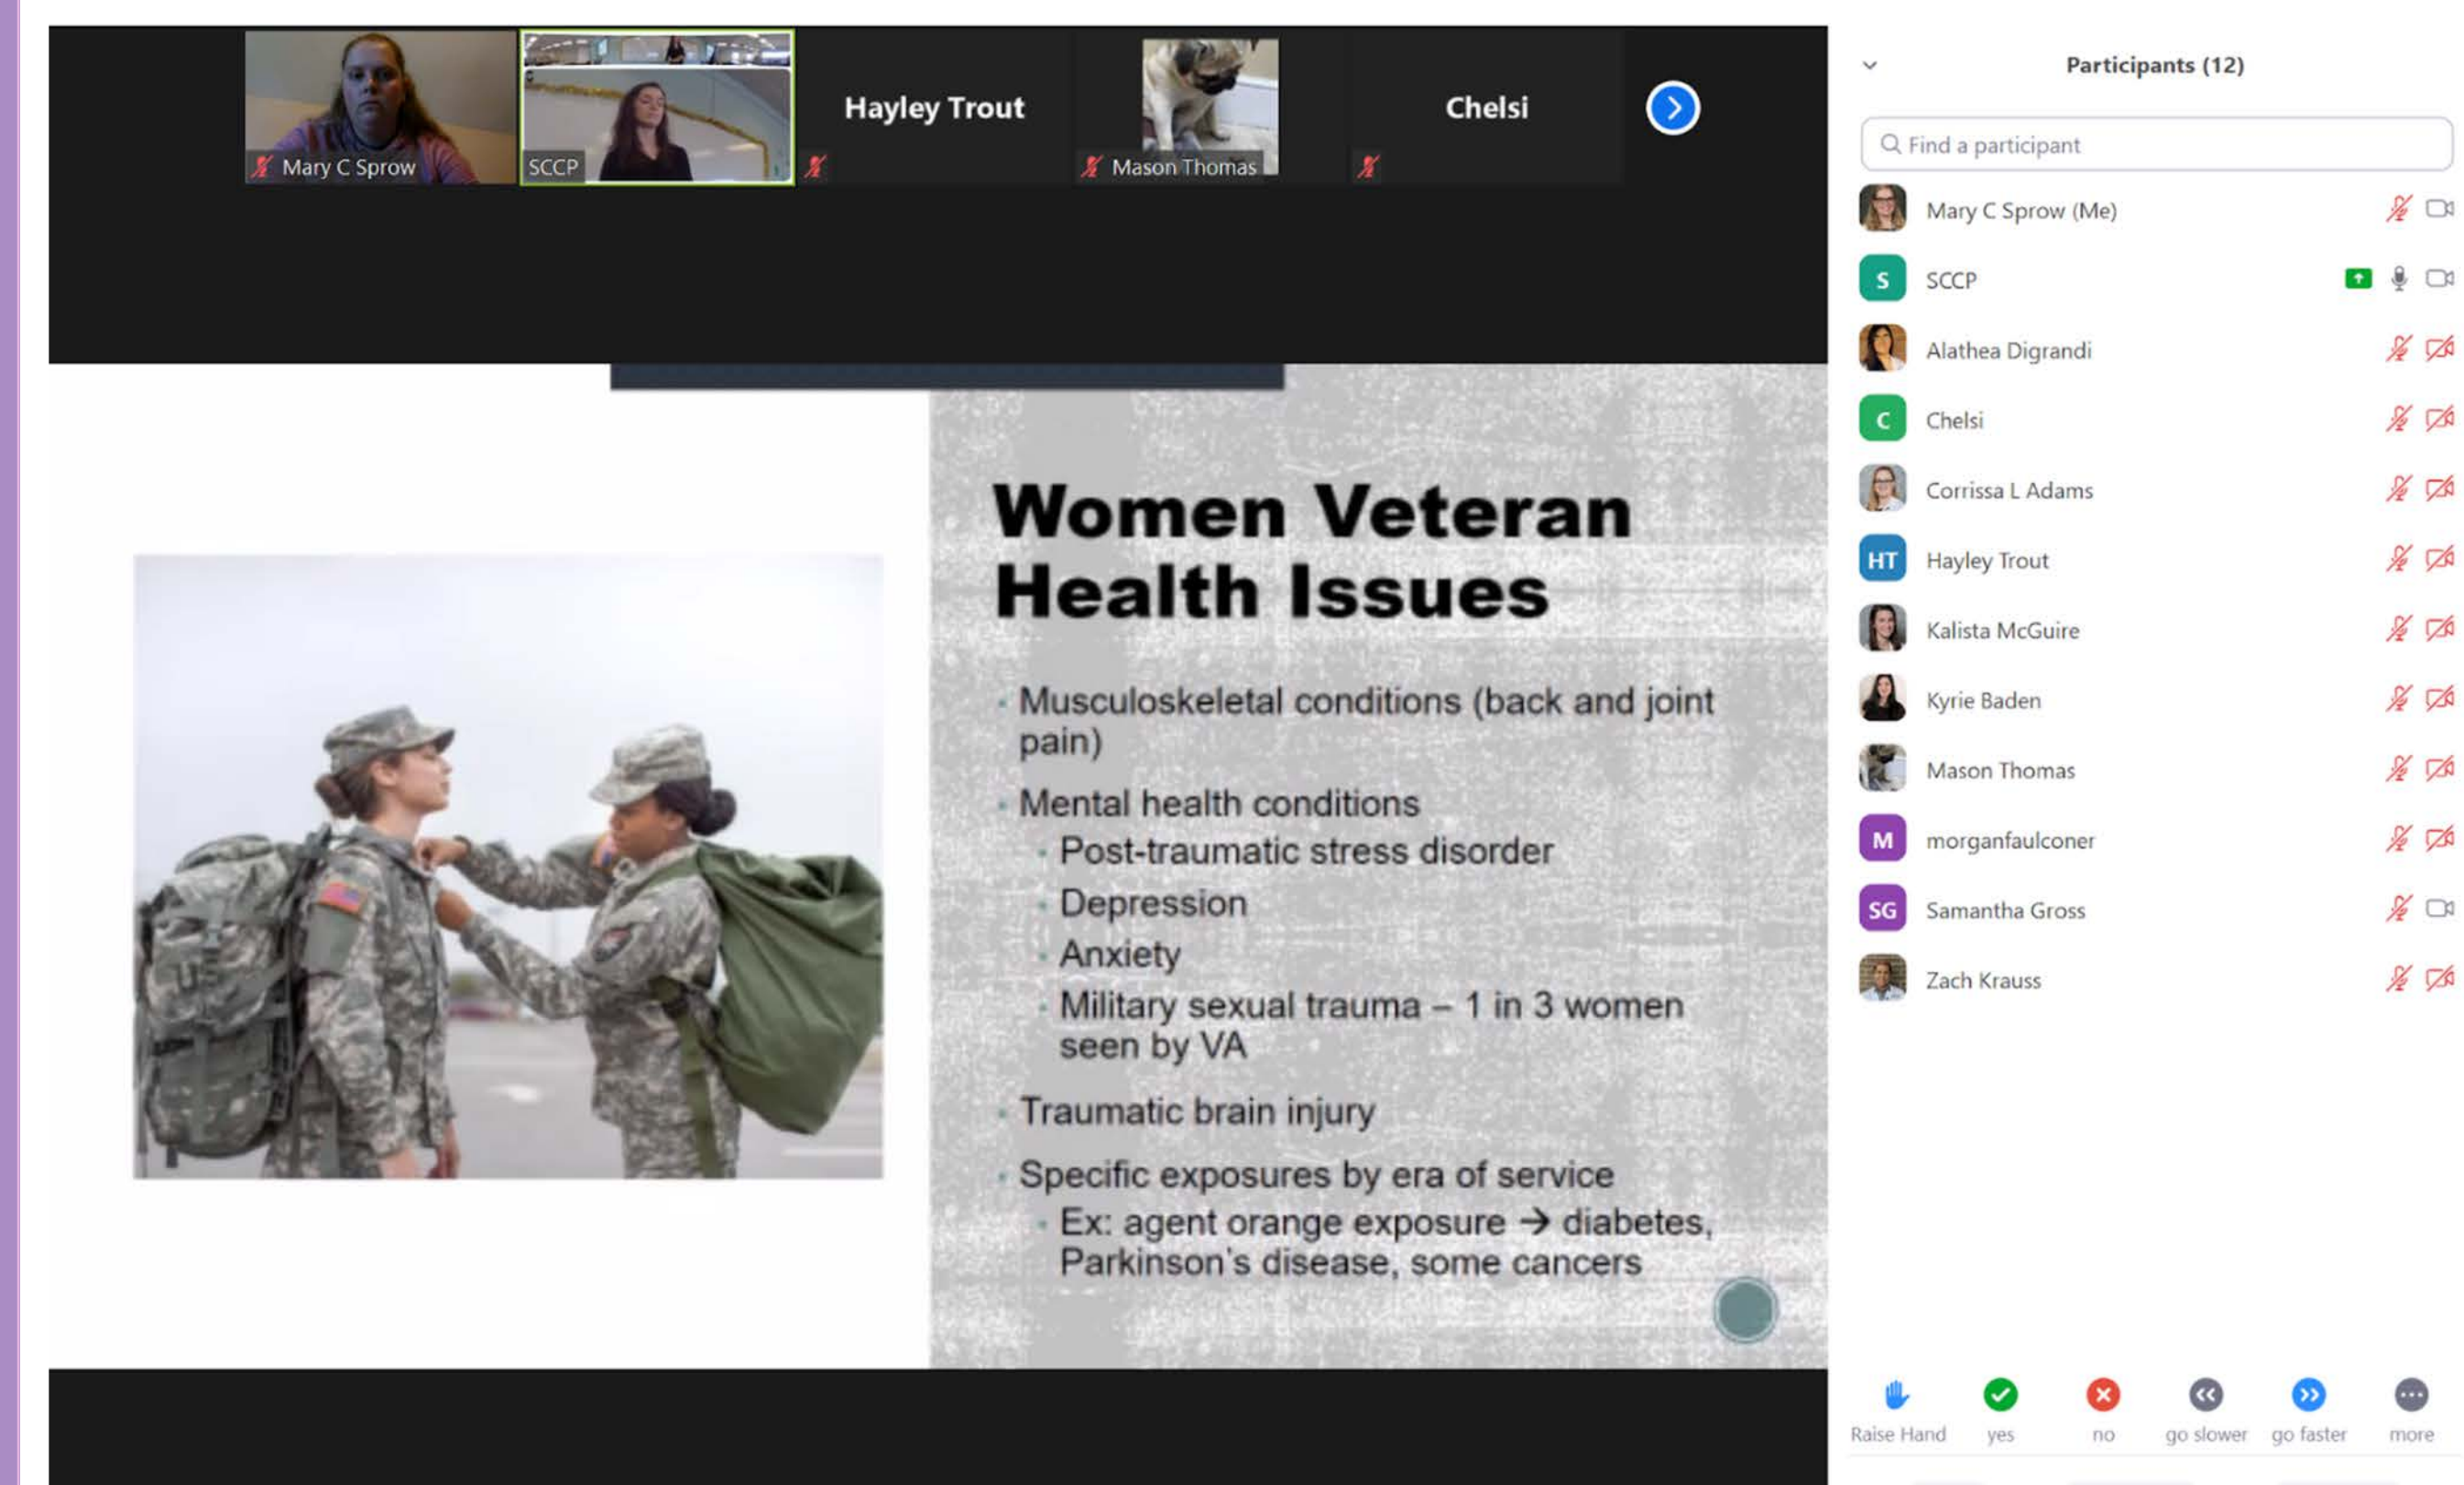

### Objectives

- Initiate a strong Women’s Health campaign through actively planning year-round services and events
- Provide feminine hygiene products for the women of our local community
- Collaborate with local/regional resources that advocate for women’s health

### Methods

- In order to start a strong campaign two co-chairs with passion for women’s health were elected to the initiative
- Co-Chairs met on a bi-monthly basis to assess creating a variety of events to collaborate with the community and students around the School of Pharmacy
- Collaborated with key women’s health resources in the region/local community, including the Emily Project, the HOPE project, HerStory, and Brigid’s Path, which allowed us to expand education for students and provide for the community

### Events and Engagement

Event	Engagement	Women’s Health Outcome
Women’s Health Campaign Virtual Care Package	25 students	Promoting Self-Care
Women’s Health Campaign Virtual Kickoff Meeting	13 students	Collaborating with local nurse practitioner regarding treatment of women’s health
Feminine Hygiene Product Drive for 2 Centers for Women affected by substance abuse	10 students donated +100 women impacted	Providing feminine hygiene products and reducing stigma associated with those products
Feminine Hygiene Products for CUSOP bathrooms	+100 women impacted	Free feminine hygiene products for students
Go Red For Women Day Awareness	Social Media Outreach	Awareness for cardiovascular disease in women
Collaborative Women’s Health Chapter Meeting with CU SCCP	25 students	How to answer drug information questions pertaining to women’s health
Pregnancy Counseling Event with The Hope Clinic	14 students	Education on how to counsel women on pregnancy options
Eating Disorder Awareness with the Emily Program	16 students	Educating pharmacy students on how to identify and treat eating disorders

### Conclusion

This year we established this initiative for our chapter through collaboration in the community and service projects. We are looking forward to continuing these relationships and several service projects, like the feminine hygiene drive, in years to come.
